A screenshot of the Prezi website homepage. The navigation bar at the top includes the Prezi logo, menu items (Products, Solutions, Resources, Pricing, Enterprise), and buttons for 'Log in', 'Contact sales', and 'Get started'. The main content area features a video player with a woman speaking. To the left of the video, the text reads 'Why hide behind a slide?' followed by 'Unlike screen sharing, Prezi Video lets you interact with your visuals on screen.' Below this text is a blue 'Sign up' button, which is highlighted with a red rectangular box. A 'Learn more' link with a right-pointing arrow is located below the button. The video player itself has a green 'Allow camera' button in the top right corner and text that says 'Welcome! Allow your camera to see Prezi in action.'
